Map not to scale
Look for the red mileage between the red pointers for calculating route mileage.

Disclaimer

The designers, compilers, sponsors and publishers of this map disclaim any responsibility associated with the use of the maps or other contents, and shall not be held accountable for any loss, damage or injury to any person or property resulting from the use of the bikeways contained herein. Every individual shall assume all risk for potential injury. No guarantee or warranty is made or implied as to the safety, condition, suitability or fitness of the bikeways and other routes shown herein. Road and bikeway conditions are subject to changes which can render them unusable or unsafe. Many of the routes shown are informal routes which are not recognized as officially designated bikeways; always use extreme caution when bicycling on roadways, especially on routes lacking signage designating them as bike routes. Always bike at your own risk.

BICYCLE SAFETY GUIDELINES

- Wear a helmet.
It is the law for persons under 18 years of age in California
- Ride with the traffic flow.
- Ride in a straight line and single file.
- Stop at stop signs and red lights.
- Use a light, reflectors, and reflective clothing during darkness.
- Wear bright clothing during daytime.
- Ride to the right if you are moving slower than other traffic, unless you are turning left passing another bicycle or vehicle, or avoiding hazards.
- Keep a safe distance from parked cars.
- Use proper hand signals when turning, stopping, or changing lanes.
- Use extra caution when it is raining/snowing-allow extra time to stop.
- Walk your bike when using a crosswalk.
- Do not wear headphones on both ears while riding.
- Keep your bike properly maintained, so it is safe.
- Do not drink alcoholic beverages and ride.
